

Nursery Sick Child Guidelines

Please do not bring your child to the nursery if they exhibit any of the following symptoms:

- Elevated oral temperature
- Severe cold with fever, excessive coughing and/or sneezing, green or yellow nose drainage
- Diarrhea
- Unidentified or contagious rashes
- Vomiting
- Eye infection/drainage

In addition:

- Your child should be symptom free for 24 hours before returning to the nursery
- If your child has been prescribed antibiotics, please be sure that they have been on the medication for 24 hours before returning to the nursery
- If your child comes down with any contagious disease such as measles, mumps, fifth disease, etc. after being in the nursery, please contact the church and the secretary will contact the appropriate people.

Thank you for your help in keeping our nursery a healthy and safe place for our children!
