

Hello parents of nursery littles!

Thank you for the opportunity to show your child Jesus Love in action. **Beginning November 7th we will offer nursery for both services and to infants again!**

Here is a reminder of our current procedures.

- The Nursery is now open for ages infant to 3 years
- Please review the Nursery's Health Policy to ensure your child is well enough to attend! We REALLY need your help to screen your children and help us keep EBC families healthy!
- We will NOT be doing diaper changes unless necessary. Please drop off child with a fresh diaper on! Please let us know at check in if you prefer to be paged for needed diaper changes.
- We will take your cell phone number down at drop-off so we can page you if needed! If paged, please come to the check-in room connected to nursery.
- While personal items are now allowed to come in with your child please remember we cannot clean them or promise they will return germ free
- No cheerios or snacks will be offered.
- **Please be prompt in picking up your children** so that our teachers may clean the room and attend service on time.

We are asking **all families to fill out a new Family Registration form** for our 2021/22 year. You can find this form on our web page or in person at nursery sign in. It is extremely important to keep our information updated and current. Please help us accomplish this as soon as possible.

Thank you so much for your help in keeping our families healthy!

Any questions or concerns please call or text Pat Rohm 207-752-7360
